

A narrow, muddy alleyway runs between a stone wall on the left and a pile of debris on the right. The ground is covered in mud and small stones. A small, colorful object lies on the ground. A person's leg is visible in the background on the right.

A narrow alleyway between a yellow building and a pile of rubble, showing the aftermath of a disaster. The ground is covered in dark, loose soil and debris. A person in a purple shirt is visible in the background, working near the rubble. A bicycle is parked on the left side of the image.
